

PROPOSAL · CLUB MANAGEMENT APP

Kempton Park Golf Club

Prepared for
The Committee
Green Avenue, Zuurfontein
September 2026

One branded app that runs the whole club — membership, GPS, tee times, competitions, news and payments —
built and running, ready to hand to your members.

INVESTMENT Setup once, then pay your way

STEP 1 • ONCE-OFF

R9 500

 setup & onboarding

Paid once to get the club live: app branded in your crest & colours, member roster imported, course & tee sheet configured, App Store + Android release set up, and office training.

Step 2 • Then, whichever suits the club:

PAY MONTHLY

R1 950

 / month

Spread the cost • no lock-in.

BEST VALUE • ~2 MONTHS FREE

PAY YEARLY

R21 000

 / year

One invoice a year • less admin.

Every plan includes

- ✓ All six modules, unlimited members
- ✓ Dedicated, isolated club database
- ✓ Office admin portal
- ✓ Both apps (iOS + Android), kept updated
- ✓ Hosting, security & backups
- ✓ Email support

Card payments (optional) run through PayFast at their standard rate of about 3% per transaction — that fee is the club's and is deducted from what members pay; there is no mark-up and no extra monthly cost. Until you switch card payments on, members pay dues and fees by EFT using the reference the app gives them.
